THE FOUNDATION HAS ITS FIRST FUND RAISING EVENT

The Grand Master Kwon education foundation was founded and is located in Holladay Utah. Master Kwon has been working with the local youth in the Utah Salt Lake Valley area for the past 8 years. He has had a great influence, in creating Utah's future leaders of tomorrow and outstanding citizens of the community today, by providing first class martial art education with three state of the art facilities.

Master Kwon is proud to announce his continued growth and dedication and development in supporting the future of Utah and its youth by opening up a third Tae Kwon Do studio in Riverton, and organizing this Foundation. The foundation focuses on providing educational financing to the youth in and around the Salt Lake Valley area. This Foundation will be a thriving and exciting addition to the vision and goal of Master Kwon and his team. By providing scholarships and other financial assistance to Utah's youth, this organization will be able to motivate and give back to those youth that show the indomitable spirit and a black belt attitude.

On May 13, 2017 Saturday, the foundation organized a 7th World Class Championship charity event that not only showed off the talents of the local community but also generated funds that will go towards scholarships for local youth. The Foundation will have much more of these fundraising types of events in the future and is excited to be part of Utah's future, growth, and development.

This event was hosted and sponsored by **The Grand Master Kwon Foundation (a World Class Tae Kwon Do Group)**. World Class Tae Kwon Do has been open for 8 years in the state of Utah.
